

0. Practice

Problem Description: Given a list of subjects, output “I like ____.”

Input: The first line consists of the number of data elements in the file, followed by that number of subjects (each on one line).

Output: “I like “ followed by the subject and a period.

Sample Input:

```
5
history
algebra
chemistry
physics
computer science
```

Sample Output:

```
I like history.
I like algebra.
I like chemistry.
I like physics.
I like computer science.
```
